

Leverage Sustainable SUD Funding in Arkansas With Opioid Settlement Fund

Opioid Settlement Fund Offers Opportunity to Secure Sustainable Funding for Substance Use Disorder (SUD) Treatment

Healthcare organizations in Arkansas can now access additional behavioral healthcare funding as part of the Opioid Settlement Fund administered by Arkansas Opioid Recovery Partnership (AORP), <https://arorp.org/>.

Here's how:

1. **State Share:** Decided by the state Attorney General.
2. **Local Share:** General applications for projects related to opioid prevention, treatment, and recovery can be submitted at any time for consideration by the AORP Executive Team. Applications require signature approval from the mayor(s) and county judge(s) in the applicable community. Additional information including FAQs, quick tips and the General Funding Application are accessible via the website URL provided above.
