

Leverage Sustainable SUD Funding in Kentucky With Opioid Settlement Fund

Opioid Settlement Fund Offers Opportunity to Secure Sustainable Funding for Substance Use Disorder (SUD) Treatment

Healthcare organizations in Kentucky can now access additional behavioral healthcare funding as part of the Opioid Settlement Fund administered by the Kentucky Opioid Abatement Advisory Commission (KYOAAC), [KYOAAC](#).

Here's how:

1. **State Share:** Allocated through a grant program to any registered entity in good standing with the KY Secretary of State, county and municipal governments and any entity defined by KRS 14A.1-070 in accordance with KY contracting process.
2. **Local Share:** At the discretion of local county, consolidated local government, urban-county government, and city officials with no less than 85% going toward opioid abatement.
