

Leverage Sustainable SUD Funding in Maine With Opioid Settlement Fund

Opioid Settlement Fund Offers Opportunity to Secure Sustainable Funding for Substance Use Disorder (SUD) Treatment

Healthcare organizations in Maine can now access additional behavioral healthcare funding as part of the Opioid Settlement Fund administered by the Maine Recovery Council,
<https://www.maine.gov/ag/recovery-council/index.shtml#:~:text=Overview%3A,the%20opioid%20crisis%20in%20Maine>.

Here's how:

1. **State Share:** The Attorney General allocates.
2. **Local Share:** Determined by local town, city, and county officials.
3. **Maine Recovery Fund Share:** The Maine Recovery Council directs allocation of these funds based on a to be determined grant process.

Fund Allocation

State Share	Local Share	Other Share
20%	30%	50%

Special Notes

50% to Maine Recovery Fund
