

# Leverage Sustainable SUD Funding in Michigan With Opioid Settlement Fund

## Opioid Settlement Fund Offers Opportunity to Secure Sustainable Funding for Substance Use Disorder (SUD) Treatment

---

Healthcare organizations in Michigan can now access additional behavioral healthcare funding as part of the Opioid Settlement Fund administered by the Michigan Department of Health and Human Services (MDHHS), <https://www.michigan.gov/opioids/opioidsettlements>.

Here's how:

1. **State Share:** The state legislature appropriates funds to MDHHS based on non-binding annual funding recommendations from the Michigan Opioid Advisory Commission (OAC). MDHHS distributes funds to state agencies and other entities.
2. **Local Share:** Determined by local county, city, and township officials.
