

# Leverage Sustainable SUD Funding in Mississippi With Opioid Settlement Fund

## Opioid Settlement Fund Offers Opportunity to Secure Sustainable Funding for Substance Use Disorder (SUD) Treatment

Healthcare organizations in Mississippi can now access additional behavioral healthcare funding as part of the Opioid Settlement Fund administered by the Mississippi State Legislature, <https://attorneygenerallynnfitch.com/opioid-settlement-fund-advisory-council/>.

Here's how:

1. **State Share:** Allocated at the discretion of the state legislature.
2. **Local Share:** Determined by local city, county, and town officials.
3. **Abatement Share:** The state legislature determines whether funds will be allocated exclusively to the University of Mississippi Medical Center or otherwise allocated.

### Fund Allocation

State Share	Local Share	Other Share
15%	15%	70%

### Special Notes

70% Abatement Share
