

Leverage Sustainable SUD Funding in Missouri With Opioid Settlement Fund

Opioid Settlement Fund Offers Opportunity to Secure Sustainable Funding for Substance Use Disorder (SUD) Treatment

Healthcare organizations in Missouri can now access additional behavioral healthcare funding as part of the Opioid Settlement Fund administered by The Missouri General Assembly, <https://moopioidsettlements.dmh.mo.gov/>.

Here's how:

- 1. State Share:** The General Assembly appropriates funds to state agencies and departments named in state law.
- 2. Local Share:** Determined by local city, county, and political subdivision officials.

Fund Allocation

State Share	Local Share	Other Share
60%	40%	0%

Special Notes

100% of the State Share is allocated to the Opioid Addiction Treatment Recovery Fund Share
