

# Leverage Sustainable SUD Funding in New Jersey With Opioid Settlement Fund

## Opioid Settlement Fund Offers Opportunity to Secure Sustainable Funding for Substance Use Disorder (SUD) Treatment

---

Healthcare organizations in New Jersey can now access additional behavioral healthcare funding as part of the Opioid Settlement Fund administered by the New Jersey Department of Human Services, <https://www.nj.gov/opioidfunds/>.

Here's how:

1. **State Share:** Determined by the New Jersey Department of Human Services after consulting with the Opioid Recovery and Remediation Advisory Council.
2. **Local Share:** Determined by local county, city, township, and borough officials. Counties must establish and consult with their County Advisory Councils.

### Fund Allocation

State Share	Local Share	Other Share
50%	50%	0%
