

Leverage Sustainable SUD Funding in New Mexico With Opioid Settlement Fund

Opioid Settlement Fund Offers Opportunity to Secure Sustainable Funding for Substance Use Disorder (SUD) Treatment

Healthcare organizations in New Mexico can now access additional behavioral healthcare funding as part of the Opioid Settlement Fund administered by the New Mexico State Legislature, <https://www.nmlegis.gov/>.

Here's how:

1. **State Share:** The New Mexico Legislature makes annual appropriations from the Opioid Crisis Recovery Fund.
2. **Local Share:** Determined by local city and county officials.
