

## Leverage Sustainable SUD Funding in North Dakota With Opioid Settlement Fund

### Opioid Settlement Fund Offers Opportunity to Secure Sustainable Funding for Substance Use Disorder (SUD) Treatment

---

Healthcare organizations in North Dakota can now access additional behavioral healthcare funding as part of the Opioid Settlement Fund administered by North Dakota Health and Human Services Behavioral Health Division (HHS-BHD). [North Dakota Opioid Settlement | Health and Human Services North Dakota](#).

Here's how:

1. **State Share:** HHS-BHD awards legislatively appropriated funds through grants to applicants based on non-binding recommendations from the Opioid Settlement Advisory Committee.
2. **Local Share:** Determined by local city and county officials in collaboration with local public health units.

### Fund Allocation

State Share	Local Share	Other Share
85%	15%	0%

### Special Notes

100% of State Share goes to the Opioid Settlement Fund
