

# Leverage Sustainable SUD Funding in Ohio With Opioid Settlement Fund

## Opioid Settlement Fund Offers Opportunity to Secure Sustainable Funding for Substance Use Disorder (SUD) Treatment

Healthcare organizations in Ohio can now access additional behavioral healthcare funding as part of the Opioid Settlement Fund administered by the OneOhio Recovery Foundation, <https://www.oneohiofoundation.com>.

Here's how:

1. **State Share:** Managed by the Ohio Attorney General aligned with authorized use from settlement agreements.
2. **Local Share:** Determined by local county, city, township, and village officials but must pass local resolutions for reimbursement uses.
3. **Foundation Share:** OneOhio Recovery determines grant award amounts from submissions by the regional boards. Grants can also be for statewide projects.

### Fund Allocation

State Share	Local Share	Other Share
15%	30%	55%

### Special Notes

55% to the OneOhio Recovery Foundation Share (Foundation Share)
