

## Leverage Sustainable SUD Funding in Utah With Opioid Settlement Fund

### Opioid Settlement Fund Offers Opportunity to Secure Sustainable Funding for Substance Use Disorder (SUD) Treatment

---

Healthcare organizations in Utah can now access additional behavioral healthcare funding as part of the Opioid Settlement Fund administered by the Utah State Legislature at <https://sumh.utah.gov/data-reports/opioidlitigation/>.

Here's how:

1. **State Share:** Appropriated by the Executive Appropriations Committee of the state legislature based on recommendations from the Social Services Appropriation Subcommittee that are informed by the Opioid Task Force and the Opioid Settlement Advisory Committee. The Advisory Committee has no formal role in the settlement spending process.
2. **Local Share:** Determined by county officials.

### Fund Allocation

State Share	Local Share	Other Share
50%	50%	0%
