

## Leverage Sustainable SUD Funding in West Virginia With Opioid Settlement Fund

### Opioid Settlement Fund Offers Opportunity to Secure Sustainable Funding for Substance Use Disorder (SUD) Treatment

---

Healthcare organizations in West Virginia can now access additional behavioral healthcare funding as part of the Opioid Settlement Fund administered by the West Virginia First Foundation, <https://wvfirst.org/>.

Here's how:

1. **State Share:** Allocated by the Attorney General for opioid litigation expenses. Unspent funds by December 31, 2026, are reallocated to the Local Share (1%) and Foundation Share (2%).
2. **Local Share:** Determined by local county, city, town, and village officials.
3. **Foundation Share:** The West Virginia First Foundation, a private nonprofit, Board of Directors determines distribution of 80% of this share's funds via grant programs. The remaining 20% of this fund's share is determined by the six regions with input from local governments.

#### Fund Allocation

State Share	Local Share	Other Share
3%	24.5%	72.5%

#### Special Notes

72.5% West Virginia First Foundation Share
