

## Leverage Sustainable SUD Funding in Wyoming With Opioid Settlement Fund

### Opioid Settlement Fund Offers Opportunity to Secure Sustainable Funding for Substance Use Disorder (SUD) Treatment

---

Healthcare organizations in Wyoming can now access additional behavioral healthcare funding as part of the Opioid Settlement Fund administered by the Wyoming Department of Health (DOH), <https://health.wyo.gov/admin/opioid-settlement-funds/>.

Here's how:

1. **State Share:** Determined by the Wyoming Department of Health in accordance with the OneWyo Opioid Settlement Memorandum of Agreement.
2. **Local Share:** Determined by local city and county officials but must be certified by the Wyoming Attorney General as proper use. Counties must also seek input from their cities and towns on fund use.

### Fund Allocation

State Share	Local Share	Other Share
35%	65%	0%
